## Beginners Bible Reading Schedule

The purpose of this schedule is to get you in the habit of reading your Bible. It focuses on important New Testament books for spiritual and theological growth. You won't read the whole New Testament, but will read a good portion of it. Also included are selected Psalms and Proverbs. We end December with the Christmas story in roughly chronological order.

The readings average between 1/3 and 1/2 a chapter per day. There are 25 readings per month, which allows a few days each month to catch up if you fall behind. The goal is to just get in the habit of setting aside some time for Bible reading. After you get into the habit, you might want to read more. We have other, more extensive schedules for you when you are ready for them.
